

**SECTION 1: Identification of the substance/mixture and of the company/undertaking**

**1.1 Product name:** Lavender Buds

**1.2 Product code:** 512-887X

**1.3 Supplier:**

Majestic Mountain Sage Inc

2490 S 1350 W

Nibley, 84321 - United States of America

T 435.755.0863 - F 435.755.2108

[www.TheSage.com](http://www.TheSage.com)

**1.4 Emergency telephone number**

No additional information available

**SECTION 2: Hazards Identification**

**2.1 GHS Classification**

Not classified as a hazardous substance.

**2.2 GHS Label Element**

Signal word None

Hazard statements None

**2.3 Other Hazards**

None known

**SECTION 3: Composition/information on ingredients**

**3.1 Substance**

INCI Name Lavandula angustifolia flower

CAS Number 90063-37-9

EINECS Number 289-995-2

## SECTION 4: First aid measures

### 4.1 First Aid Measures

General	No special measures required.
Inhalation	Move victim to fresh air. Seek medical advice if necessary.
Skin Contact	No special measures required.
Eye Contact	Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses. Continue to rinse for at least 15 minutes. Get medical attention if irritation occurs.
Ingestion	In the event of unintentional swallowing, do not force vomiting. If symptoms persist, seek medical attention.
Most important symptoms and effects, both acute and delayed	No symptoms known or expected
Notes to physician	No hazards which require special first aid measures.

## SECTION 5: Firefighting measures

### 5.1 Suitable Extinguishing media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. Water, foam, CO<sub>2</sub>, dry extinguishing powder.

### 5.2 Specific hazards during firefighting

Organic dusts at sufficient concentration can form explosive mixtures in air. Do not allow run-off from fire fighting to enter drains or water courses.

### 5.3 Hazardous combustion products

No information available.

### 5.4 Further information

Keep away from sources of ignition. Do not smoke. Respiratory and eye protection required for fire crews when exposed to smoke or fumes.

### 5.5 Special protective equipment for firefighters

In the event of fire, wear self-contained breathing apparatus.

## SECTION 6: Accidental release measures

### 6.1 Personal precautions

No special measures required.

### 6.2 Environmental precautions

No special measures required.

### 6.3 Method materials for cleaning up

Pick up and arrange disposal without creating dust. Keep in suitable, closed containers for disposal.

### 6.4 Other information

Comply with all applicable federal, state, and local regulations.

## SECTION 7: Handling and storage

### 7.1 Advice on safe handling

Avoid dust formation. Smoking, eating and drinking should be prohibited in the application area. For personal protection see Section 8.

### 7.2 Conditions for safe storage

No smoking. Electrical installations/working materials must comply with the technological safety standards.

### 7.3 Materials to avoid

No materials to be especially mentioned.

## SECTION 8: Exposure controls/personal protection

### 8.1 Components with workplace control parameters

#### Engineering measures

Provide appropriate exhaust ventilation at places where dust is formed. General room ventilation should be adequate for normal conditions of use. However, if unusual operating conditions exist, provide sufficient mechanical (general and/or local exhaust) ventilation to maintain exposure below exposure guidelines (if applicable) or below levels that cause known, suspected or apparent adverse effects.

### 8.2 Personal protective equipment

Respiratory protection	Do not inhale dust. Wear protective mask in case of formation of dust.
------------------------	--

Eye protection	No special measures required.
----------------	-------------------------------

Skin/body protection      No special measures required.

Occupational exposure      Avoid breathing dust.  
limit

## **SECTION 9: Physical and chemical properties**

### **9.1 Information on main physical and chemical properties**

Appearance	small flowers and buds
Color	Bluish grey
Odor	Characteristic
Melting/freezing point	No data available
Boiling point/range	No data available
Flash point	Not determined
Solubility	Not soluble
Auto-ignition temperature	Not determined
Flamability	No data available
Explosive properties	Nothing to report
Decomposition temperature	Nothing to report

## **SECTION 10: Stability and reactivity**

### **10.1 Reactivity**

Material presents no significant reactivity hazards, by itself or in contact with water.

### **10.2 Chemical stability**

Products is stable under normal conditions.

### **10.3 Possibility of hazardous reactions**

Product presents no significant hazardous reaction.

### **10.4 Conditions to be avoided**

Keep away from heat, flame, sparks and other ignition sources.

### **10.5 Substances to be avoided**

No known substances to be avoided.

### **10.6 Hazardous decomposition products**

No hazardous decomposition products are known.

## SECTION 11: Toxicological information

### 11.1 Information on likely routes of exposure

Inhalation, skin contact, eye contact, and ingestion.

### 11.2 Acute toxicity

Not classified based on available information.

### 11.3 Skin corrosion/irritation

Not classified based on available information.

### 11.4 Serious eye damage/eye irritation

Not classified based on available information

#### Product

Remarks: Unlikely to cause eye irritation or injury. Product dust may be irritating to eyes, skin and respiratory system.

### 11.5 Respiratory or skin sensitization

Skin sensitization Not classified based on available information

Respiratory sensitization Not classified based on available information

### 11.6 Germ cell mutagenicity

Not classified based on available information

### 11.7 Carcinogenicity

Not classified based on available information

### 11.8 Reproductive toxicity

Not classified based on available information

### 11.9 STOT - single exposure

Not classified based on available information

### 11.10 STOT - repeated exposure

Not classified based on available information

### 11.11 Aspiration toxicity

Not classified based on available information

#### Product

No aspiration toxicity classification

### 11.12 Further information

#### Product

Remarks: No data available

## SECTION 12: Ecological information

### 12.1 Ecotoxicity

No data available

### 12.2 Persistence and degradability

No data available

### 12.3 Bioaccumulative potential

No data available

### 12.4 Mobility in soil

No data available

### 12.5 Other adverse effects

No data available

#### Product

Additional ecological information: No data available

## SECTION 13: Disposal considerations

### 13.1 Disposal methods

General advice

Dispose of in accordance with all applicable local, state and federal regulation.

Contaminated packaging Empty remaining contents.

## SECTION 14: Transport information

### 14.1 International transport regulations

US DOT-Road	Not dangerous goods
US DOT-Rail	Not dangerous goods
US DOT-Inland waterways	Not dangerous goods
Transport Canada-Road	Not dangerous goods
Transport Canada-Rail	Not dangerous goods
Transport Canada-Inland waterways	Not dangerous goods
International Maritime Dangerous Goods	Not dangerous goods
International Air Transport Association-Cargo	Not dangerous goods
International Air Transport Association-Passenger	Not dangerous goods
Mexican Regulation for the Land	Not dangerous goods

Transport of Hazardous  
Materials and Wastes

*ORM = ORM-D, CBL = Combustible Liquid*

Marine Pollutant                                  No

*Dangerous goods descriptions (if indicated above) may not reflect quantity, end use or region specific exceptions that can be applied. Consult shipping document for descriptions that are specific to the shipment.*

**SECTION 15: Regulatory information**

**15.1 EU Classification**

Not subject to classification according to CLP Regulation (EC) No. 1272/2008.

Not subject to classification according to Directive 67/548/EC or Directive 1999/45/EC.

**SECTION 16: Other information**

Notes:

This safety data sheet is based on the properties of the material known at the time the data sheet was issued. The safety data sheet is intended to provide information for a health and safety assessment of the material and the circumstances, under which it is packaged, stored or applied in the workplace. For such a safety assessment holds no responsibility. This document is not intended for quality assurance purposes.
