SECTION 1: Identification of the substance/mixture and of the company/undertaking

Product name: Candelilla Wax
Product code: 301-127X

Supplier:
Majestic Mountain Sage Inc
2490 S 1350 W
Nibley, 84321 - United States of America
T 435.755.0863 - F 435.755.2108
www.TheSage.com

HMIS
Health: 0
Flammability: 1
Reactivity: 0
Gloves & Safety Glasses

Emergency telephone number
No additional information available

SECTION 2: Hazards identification

GHS Classification
No classification is assigned, based on classification criteria. Review the entire data sheet for any additional information which did not result in a GHS classification.

GHS LABEL ELEMENTS

Symbol(s): None needed according to classification criteria.
Signal Word: None needed according to classification criteria.
Hazard Statement(s): None needed according to classification criteria.
Precautionary Statement(s): None needed according to classification criteria.
Prevention: None allocated.
Response: None allocated.
SECTION 3: Composition/information on ingredients

INCI Name: Euphorbia Cerifera (Candelilla) Wax
CAS Number: 8006-44-8

SECTION 4: First aid measures

First-aid measures general: Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).

First-aid measures after inhalation: If respiratory symptoms develop from exposure to fumes emitted by the molten material move victim away from source of exposure and into fresh air. If symptoms persist, seek medical attention. If victim is not breathing, immediately begin artificial respiration. If breathing difficulties develop, oxygen should be administered by qualified personnel. Seek immediate medical attention.

First-aid measures after skin contact: For contact with molten material, leave material on skin and flush or immerse affected area(s), using cold water. Seek medical attention.

First-aid measures after eye contact: If irritation or redness develops from exposure to fumes generated during hot-melt processing operations, move victim away from exposure and into fresh air. Flush eyes with clean water. If irritation or redness persists, seek medical attention. For contact with the molten material, gently open eyelids and flush affected eye(s) with cold water. Seek immediate medical attention.

First-aid measures after ingestion: First aid is not normally required for the solid material; however, if molten material is swallowed, seek immediate medical attention.

Symptoms/injuries: Not expected to present a significant hazard under anticipated conditions of normal use.
SECTION 5: Firefighting measures

Unsuitable extinguishing media: Do not use a heavy water stream to avoid spreading fire to other areas.
Firefighting instructions: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment.
Protection during firefighting: Do not enter fire area without proper protective equipment, including respiratory protection.

SECTION 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

For non-emergency personnel
Emergency procedures: Evacuate unnecessary personnel.

For emergency responders
Protective equipment: Equip cleanup crew with proper protection.
Emergency procedures: Ventilate area.

Environmental precautions: Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters.

Methods for cleaning up: Soak up spills with inert solids, such as clay or diatomaceous earth, as soon as possible. Collect spillage. Store away from other materials.

SECTION 7: Handling and storage

Precautions for safe handling: Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor.
Storage conditions: Keep only in the original container in a cool, well ventilated place away from: Keep container closed when not in use.
SECTION 8: Exposure controls/personal protection

OSHA Permissible Exposure Limit (PEL): None established

Personal protective equipment: Avoid all unnecessary exposure.
Hand protection: Wear protective gloves.
Eye protection: Chemical goggles or safety glasses.
Respiratory protection: Wear appropriate mask.
Other information: Do not eat, drink or smoke during use. Eye wash facility in vicinity.

SECTION 9: Physical and chemical properties

Physical state: Granule
Color: Orange Yellow
Odor: Characteristic
Odor threshold: No data available
pH: No data available
Melting point: 68.5-72.5°C
Boiling point: >650 °C
Flash point: 465 °F Minimum
Auto-ignition temperature: No data available
Decomposition temperature: No data available
Flammability (solid, gas): No data available
Vapor pressure: No data available
Relative vapor density at 20 °C: No data available
Relative density: No data available
Density: 0.96
Solubility: Not soluble in water.

SECTION 10: Stability and reactivity

Reactivity: No additional information available
Chemical stability: This product is stable under most circumstances.
Possibility of hazardous reactions: Not established.
Conditions to avoid: Avoid all possible sources of ignition.
Incompatible materials: Avoid contact with strong oxidizing agents.
Hazardous decomposition products: Combustion can yield major amounts of oxides of carbon and minor amounts of oxides of sulfur and nitrogen.
Hazardous polymerization: Will not occur under normal circumstances.
SECTION 11: Toxicological information

FDA: GRAS (Generally Recognized As Safe)

Information on toxicological effects
Acute toxicity: Not classified
Skin corrosion/irritation: Not classified
Serious eye damage/irritation: Not classified
Respiratory or skin sensitization: Not classified
Germ cell mutagenicity: Not classified
Carcinogenicity: Not classified
Reproductive toxicity: Not classified
Specific target organ toxicity (single exposure): Not classified
Specific target organ toxicity (repeated exposure): Not classified
Aspiration hazard: Not classified
Potential Adverse human health effects and symptoms: Based on available data, the classification criteria are not met.

SECTION 12: Ecological information

Toxicity: No additional information available
Persistence and degradability: Product is biodegradable.
Bioaccumulative potential: Not established.
Mobility in soil: No additional information available
Effect on ozone layer: No additional information available
Effect on the global warming: No known ecological damage caused by this product.
Other information: Avoid release to the environment.

SECTION 13: Disposal considerations

Waste disposal recommendations: Dispose in a safe manner in accordance with local/national regulations.
Ecology - waste materials: Avoid release to the environment.
In accordance with DOT: Not regulated for transport
Other information: No supplementary information available.
Transport by sea: No additional information available
Air transport: No additional information available

TSCA: This product is intended for use in applications regulated by the Food and Drug Administration in the United States. Not listed on the United States TSCA (Toxic Substances Control Act) inventory
Hazards: None

California Proposition 65 - This product contains the following substances known to the State of California to cause cancer, birth defects, or other reproductive harm per the Safe Drinking Water and Toxic Enforcement Act of 1986:
Ingredients: None

International regulations
CANADA: No additional information available
EU-Regulations: No additional information available
National regulations: No additional information available
US State regulations: No additional information available

Other information: None

Date: May 2014

The information contained within this Material Safety Data Sheet is based on our present knowledge. The data here does not guarantee any specific product features or suitability of this product for user's application. User should satisfy themselves that information is complete. No warranty is expressed or implied with respect to completeness or continuing accuracy of the information given here.
