

Animal Testing Policy Statement

For individual product information, please refer to the Safety Data Sheet (SDS), the Allergen Statement, or the lot specific Certificate of Analysis (COA).

The following statement is in regards to all products found in the Majestic Mountain Sage, Inc. catalog at any time from 1996 to present day.

- Majestic Mountain Sage, Inc. currently does not perform any animal testing.
- Majestic Mountain Sage, Inc. has not performed any animal testing in the past.
- Majestic Mountain Sage, Inc. currently does not request any animal testing be done on our behalf.
- Majestic Mountain Sage, Inc. has not requested any animal testing be done on our behalf in the past.
- Majestic Mountain Sage, Inc. currently does not prevent other companies from doing animal testing.
- Majestic Mountain Sage, Inc. understands testing on animals may be required by a federal agency to determine a product's suitability or safety on humans.

When required by law, no other testing is sufficient to satisfy the legal requirements for safety to consumers, therefore Majestic Mountain Sage, Inc. will not hinder the compliance of federal law. When possible, we choose cruelty-free products. We can not foresee a time in the future that Majestic Mountain Sage, Inc. will ever conduct animal testing.

Signed:

Andee Howard
